Welcome to the Kinder Library!

If you are not familiar with our library, here are some tips to help you get started.

- Explore the John Kinder Theological Library website (http://www.kinderlibrary.ac.nz/). Notice there are digitised Anglican newspapers and Synod proceedings in Church Papers Online. The Topic Guides include book lists on popular subjects, such as The New Zealand Prayer book, Faith Nursing, Confirmation & Baptism, and ‘How to’ guides, offering help with electronic books, referencing and citations, etc.

- To find books, DVDs and articles, click on the Search the catalogue button.
- Use your full barcode for your login, and the last four digits for your password. Notice that your borrower number contains zeros, not ohs. (Please contact the library if you have problems logging in.)
- The screenshot below shows the drop-down menu at the search screen. Do you want hard copy items to be sent to you? Choose Library catalogue. If you Switch to Discovery, you will be shown journal articles and electronic books in your search as well as the library catalogue.
• If you get a LONG list of hits containing books and articles, narrow it by using the filters on the left of the screen.

When you **Login to your account**, you can see your issues and due dates. The loan period is one month (with an extra week for postal borrowers). You can usually renew an item once from your account.
